## Title: Fly swatter painting

### Objectives:

- developing children`s artistic talents;
- stimulating the imagination;
- being familiarized with different art techniques-„fly swatter painting``.

**Equipment:** (for each students) fly swatters with different patterns and of different sizes, plates, (for each students) paintbrushes, watercolours.

**Stage 1:** The teacher chooses the right place to carry out the activity, namely at the playground.

**Stage 2:** The teacher prepares the materials to be used by the students: fly swatters of different sizes and colours, plates, paintbrushes, watercolours, for each student.

**Stage 3:** The teacher instructs the students regarding the technique of painting with the fly swatter.

**Stage 4:** Each student sits down at the work table and following the instructions of the teacher begins to paint using the technique of the fly swatter.

**Stage 5:** The teacher carefully supervises the students by giving directions and telling them when the work is ready.

**Stage 7:** At the end of the activity, students are invited to present their work in front of their colleagues and the best works are rewarded.
