## TITLE: Traditional games 2: Marbles

### OBJETIVES:

- To improve the fine motor, their manipulakills.
- To know and enjoy different types of games.
- To practice traditional games learning to respect turns.

### MATERIAL: marbles balls

Step 1 : It is played in flat area free of stones

Step 2: draw a line and at a certain distance a triangle

Step 3: there are three players with a few marbles

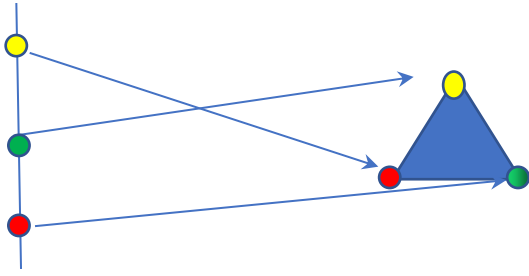

Each player places one marble on the triangle's vertex and another one on the line

Step 4: in turns the marbles are thrown from the line, trying to hit any of the marbles in the triangle.

The one that hits a marble, keeps it. Once all marbles have been hit each one replaces with another marble.

The player who gets more marbles wins

**How to throw the marbles:**
