## **Title: Painting stones animals**

### **Objectives:**

- developing children's artistic talents;
- stimulating the imagination;
- being familiarized with different art techniques.

### **Materials and equipment:**

- (for each students) paintbrushes, watercolours, stones which will be painted, white sheet of paper, water hose.

**Stage 1:** It is highly recommended to organize the game outdoors.

**Stage 2:** The teacher prepares the place of work, namely the playground. The teacher prepares the working materials: the stones that will be painted, white sheets of paper, watercolours, paintbrushes and a water hose.

**Stage 3:** The teacher prepares the previous stones so that they can be painted.

**Stage 4:** The teacher gives instructions to the children on the technique of painting stones.

**Stage 5:** The teacher proposes to the students as a theme to paint on stones, namely animals.

**Stage 6:** After the students finish painting, they display them to be photographed.

**Stage 7:** At the end of the activity, students with the help of the teacher wash the stones using the water hose.
