

Title: Reading books in the shade of trees

Objectives:

- Use non-traditional environment;
- Develop imagination and creativity;
- Develop interest in reading and practice language skills.
-

Equipment: pillows, sheets, tents, fabric, books, hammock, rocking-chair (and everything else one can sit on, lie on outdoors).

Stage 1: Task for the children - everyone brings their favorite book from home or from the library.

Stage 2: Children choose the spaces where they will want to read their books (recommended in the shade of trees). From the available tools (pillows, sheets, tents, fabric, hammock and other.) children, divided into groups, create a “home” for reading.

Stage 3: In their groups, each child presents their book to friends.

Stage 4: Reading books outdoors, in their own “home” for reading.
