

All arrangements after the online meeting in October 2020:

1. If partners have in their schools any materials (posters, project corners, etc.) about our project, they will take the photos and post it on Facebook account and eTwinning.
2. The website will be ready soon.
3. We would like to meet online in December (second week).
4. Due to COVID-19 we had to postpone the first mobility (meeting in Poland), partners will also have to postpone LTTA in Spain. We plan to organize online meeting (quiz) for children.
5. Partners will send the results of the initial survey, and keep them so that we can compare them with the last survey at the end of the project.
6. We are preparing short quiz for all our students about partners' countries and I thought that we could all meet in January with our students and they would do the quiz online (kahoot!).
